Pseudonym **E. A. Casanova.**

Website **www.crojasmolina.com.**

E-mail **constanza777@gmail.com.**

Social Media **Twitter: @coni777 ; Instagram: @e.a.casanova.**

2014– **Blog**, *Author of the blog The RAGE of the Blackboard*, <http://ragebb.wordpress.com/>. Interviews with female mathematicians and other articles around academia and the scientific life. *Selected articles*: Portraits of Anna Dall'Acqua (U. of Ulm), Sylvie Paycha (U. of Potsdam), Susanna Terracini (Torino). Graphic recording of a BBC radio interview of Dr. Eugenia Cheng. Interview with neuroscientist and artist Dr. Matteo Farinella (co-author of the book Neurocomic); Review of the science festival "Pint of Science" that took place in Cambridge, UK; and a graphic summary of the conference "It All Adds Up" that took place in Oxford in 2015, UK (organized by the London Mathematical Society).
Articles in preparation: Portraits of Rinat Kedem (Illinois), Susanne Weiß (Jülich), and María-Isabel Cortés (Santiago de Chile).

Jan 2020 **Scicomm**, Member of communication team, Proyecto Anillo Matemáticas y género CONICYT, Chile.

April 2020 **Illustration**, Contributor to Images de Mathématiques, CNRS France.

Feb 2020 **Illustrator**, *Biographies of latin-american mathematicians*, Collaboration with mathematician and writer Alberto Mercado.

2019– **Social media/Illustration**, Co-host of Twitter drawing challenge #mathyear.
Weekly drawings about maths and interactions

Sep 2019 **Blogger/Illustrator**, Invited to be a member of the Blog Team of the 7th Heidelberg Laureate Forum, Germany.

Apr 2019 **Participation and abstract**, *NaWik Symposium*, NaWik- Institut für Naturwissenschaftskommunikation, Karlsruhe.
Scientists who do science communication throughout Germany gathered to discuss their work

March 2019 **Interviewee**, The Newsletter of the European Women in Mathematics Association (EWM).

Nov 2018 **Social media/Illustration**, Creator of the Twitter drawing challenge #Noethemember, daily drawings on the life and work of Emmy Noether, Collaboration with Blog The Aperiodical (UK). The results can be seen here: <https://aperiodical.com/2019/01/noethemember-a-retrospective/>.

Sep 2018 **Blogger/Illustrator**, Member of the Blog Team of the 6th Heidelberg Laureate Forum, Germany.

May 2018 **Twitter Rocur**, Curator for one week at the account @IamSciArt, for details see <https://iamsciart.com/past-curators/>.

Jan 2018 **Illustration**, French version of Sylvie Paycha's interview. Collaboration with Images de Mathématiques, CNRS France.

2017 **Interviewer/Illustrator**, Interviewed two female participants of the thematic trimester "Combinatorics and interaction" at the Institut Henri Poincaré (France): Marie Albenque, co-organizer (published) and Rinat Kedem (articles are work in progress).

2017 **Illustration**, An original illustration with title "Women in Science" was published in the magazine "Resist!" (USA) (<http://www.resistsubmission.com/>), Edited by Françoise Mouly (New Yorker) and Nadja Spiegelman.

- Sep 2017 **Blogger/Illustrator**, Member of the Blog Team of the 5th Heidelberg Laureate Forum, Germany.
- 2017 **Interviewee**, Conversation with G. Thäter in the Modellansatz Podcast, Episode 121, Karlsruhe Institute of Technology (KIT) <<http://www.math.kit.edu/ianm4/page/math-blackboard/en>>.
- Nov 2017 **Presentation**, *10.Forum für Wissenschaftskommunikation*, Presentation and poster on the Project the RAGE of the Blackboard.
- April 2017 **Graphic Recording**, Participation in the meeting EuViz in Brussels, gathering visual practitioners from Europe. Did a live graphic recording in collaboration with another participant.
- May 2017 **Graphic Recording**, 3h live graphic recording for Startup Bonn.
- Oct 2016 **Cover Art**, An illustration from the blog The RAGE of the Blackboard was the cover of the December issue No. 102 of the Magazine "Quadrature" (France): magazine with focus in mathematics education at high-school and university level.
- Jul 2016 **Workshop moderator**, *Imaginary Conference 2016, Berlin*, Moderator for the Workshop "Curriculum for a maths communication course", assisting the workshop leaders and keeping updated the Collaborative Hackpad.
- Jul 2016 **Exhibition**, *Imaginary Conference 2016, Berlin*, Exhibited works from the blog The RAGE of the Blackboard in Theater TAK Berlin, during the Imaginary Conference 2016, Berlin.
- 2016 **Illustration**, *An original illustration on the topic of "Resilience" was among 100 illustrations (selected out of 800 applications) published in an e-book by the Spanish organization "Acción contra el hambre"*.
- 2015– 2018 **Comics**, *Regular contributor to Franco-German magazine Béton/Beton (Berlin). Integral author: script and illustration. Issues 4,6,8,10.*
- 2014 **Illustration**, Poster for the theater play "Vita e sogni di Mr. Pauli", by mathematician and writer Annalisa Panati, Italy/France.
- 2013–2014 **Comics**, *Illustrator for two comics for Sinfonías Sencillas (Santiago de Chile) : "Turkai" (5 pages) and "Adonai" (5 pages).*
- 2012 **Comics**, *2-page comic adaptation of text "Hacer las cosas bien", by Chilean artist Francisca Carcamo (a.k.a. Panchulei) for her own anthology.*

Other

Experience with grant applications, Chile, Germany, European Commission, France.

Experience with organization of workshops and conferences (up to 60 participants).
